Subject: Regarding constitution of BIS Clubs in schools of the State.

BIS constitutes standardized clubs in the schools. These clubs are constituted in Senior Secondary Schools (with Science stream). Science teacher/ lecturer will be the mentor of the club with 15 other students as member of club. BIS supports the clubs by guiding the schools to do science related activities and to give training to the mentor teacher and students on standard parameters designed by BIS. This will include testing of different articles on the parameters of BIS. The financial support of Rs. 10,000/- maximum for each of the three activities in a year for each Standards Club will be provided by BIS. In the year 2021-22, these clubs were constituted in 25 schools of 5 districts namely Ambala, Panchkula, Kaithal, Kurukshetra, Yamunanagar. In the year 2022-23, these clubs will be constituted in 1100 Senior Secondary Schools (with Science Stream) @ 50 schools per district. While selection of Schools criteria of selection of Schools by DPCs will be as under:

Criteria of selection of Schools:

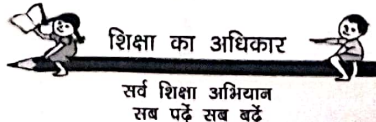

1. Preference shall be given to Govt. Model Sanskriti Senior Secondary Schools, Haryana.

Therefore, districts where BIS Clubs (@5 per district) were constituted in 2021-22, they will constitute 45 new BIS Clubs in place of 50 new schools with BIS Clubs. It is only for the district Ambala, Panchkula, Kaithal, Kurukshetra and Yamunanagar.
